# “Everything”

## Maria Louves

with Justin Havard, Piano

### When A Simple Wish comes true.

What happens when a classical singer gets back in front of the microphone?

An inner child trip back to music from songstress icons (Garland, Streisand and Midler), with popular songs from the 40's to the 80's, along with a special tribute to Broadway and Cabaret icons, like composer and friend David Friedman.

Enjoy the rich vocal color, pop-style versatility, and mediterranean madness of Maria Zouves, as she shares stories from life in the opera world and her secret desire to rock like Benatar and belt it like Barbra.
